Application of Progress Energy Carolinas, Incorporated Requesting Approval of Optional Meter Related Programs
Docket No. 2003-220-E

Dear Mr. Terreni:

The Office of Regulatory Staff ("ORS") has reviewed the above-referenced filing and has no objection to the request of Progress Energy Carolinas, Inc. ("Company") for approval to revise its Meter-Related Optional Programs Rider MROP-4. The Company is proposing to revise this Rider to replace all references to Energy Profiler Online with the generic name Load Profiler Online. Energy Profiler Online is the trademark name of the current service provider with which the Company will no longer be contracting effective February 1, 2010.

Thank you for the opportunity to provide comments in this matter.

Sincerely,

John W. Flitter
